# Here are ten good reasons why you should join the National Association of Rocketry:

10

**Sport Rocketry** – a full year’s subscription to the premier model rocketry publication. Its plans, photos, technical articles, manufacturer news, and listings of launches in your area are yours when you join the NAR.

9

**Nationwide Launch Locator** – use our directory to find out when and where launches are being held in your area!

8

**NAR Clubs** – connect with other modelers in your area, hold club launches, work on group projects.

7

**\$5,000,000 Liability Insurance** – currently required by many launch site owners. Lift off with added peace of mind in the world's safest hobby!

6

**High Power Certification Program** – meet our requirements and become eligible to purchase and launch engines not available to the general consumer.

5

**Competition** – match your building and flying skills with modelers from your area and across the country! Set national and world records and receive official certification from recognized authorities.

4

**Sporting License** – identifies you as an official NAR member, includes your own registration number.

3

**National Launch** – spend an unforgettable week at the annual national competition (NARAM) and the national sport launch (NSL). Fly beside or compete against the best modelers in the US! All NAR members are invited.

2

**Conventions** – learn about the newest theories, techniques, and product introductions at our national and regional convention launch fields!

1

**Member Services** – sport and scale plans, manuals, books, patches, competition rules booklet and much more!
