

Real... Cutting Edge...

ROCKETRY

RENEW TODAY! Aside from race car driving or flying an airplane, rocketry is about as exciting as a hobby can get. Ever see another hobby do 25,000 feet or mach 1? The best way to GET MORE out of rocketry is to connect with rocket enthusiasts. The NAR is the way to connect! The National Association of Rocketry is thousands of rocketry members that allow you to fly higher, farther, and faster.

MEMBERSHIP BENEFITS:

HIGH POWER CERTIFICATION PROGRAM.

The NAR has experienced modelers to help quench your thirst for power and achieve your Level 1, 2 and 3 certification.

CLUBS AND SECTIONS.

The NAR has hundreds of clubs across the U.S. with thousands of members, or start your own club.

LOCAL AND NATIONAL LAUNCHES.

Launches all across the country with hundreds of rockets flown in a single weekend. There will be rockets of every size and configuration imaginable.

MEMBERS ONLY FORUM.

Members have exclusive access to our members only forum. The forum will allow

you to immediately connect with fellow members on a local, regional, and national level. There are communities for General Rocketry, High Power Rocketry, Competitive Rocketry, and many more!

SPORT ROCKETRY MAGAZINE.

Sport Rocketry is the largest rocketry specific magazine in the U.S. The magazine is included in your membership.

\$5 MILLION NAR LIABILITY INSURANCE

Practice safe rocketry - and the NAR will back you up.

**MORE MEMBERS, MORE EXPERIENCE, MORE FUN -
